

Comparative Statement for Supply and Commissioning of Monitors & Computer Equipment (Lot #01, Monitor)

Reference No PAF-IAST/IT/2021/Purchase of LED Monitors & Printers, a Tender was advertised on March 02, 2021 in national dailies for the "Supply and Commissioning of Monitors & Computer Equipment" The Tender was advertised based on PPRA Rule 36(a) "Single Stage - One Envelope".

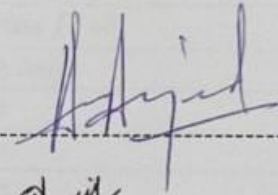

LOT #	Description	Quantity
01	Monitor	56

The Tender submission was on 18th March 2021, in which only one bidder M/s AHF System participated and submitted its Bid. After going through with the Bid in the light of Eligibility requirements as referred in Section 4 and the Technical Specifications mentioned in Section 5, the Bid is found non-responsive and non-compliant to technical specifications of the required item, as detailed at "Annex-A".

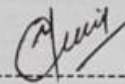

Recommendation:

Therefore, the procurement committee recommends for the re-tendering of the (Lot#01, Monitor).

Comparative Statement for Supply and Commissioning of Monitors & Computer Equipment (Lot #02, 3D Printer)

Reference No PAF-IAS/IT/2021/Purchase of LED Monitors & Printers, a Tender was advertised on March 02, 2021 in national dailies for the "Supply and Commissioning of Monitors & Computer Equipment" The Tender was advertised based on PPRA Rule 36(a) "Single Stage - One Envelope".

LOT #	Description	Quantity
02	3D Printer	01

The Tender submission was on 18th March 2021, in which three bidders M/s RASTEK Technologies, M/s United Traders and M/s Babji Traders participated and submitted their Bids. After going through with the Bids in the light of Eligibility requirements as referred in Section 4 and the Technical Specifications mentioned in Section 5, Only M/s RASTEK Technologies Bid is found responsive and compliant to technical specifications of the required item. M/s United Traders' Bid was found incomplete both with respect to Preliminary Examination Criteria and Minimum Eligibility Criteria as stipulated in Section 4. Moreover, the Technical Specifications of their quoted product was missing/ lacking compliance to technical requirements, though they have quoted lowest cost. Whereas, M/s Babji Traders' Bid also lacked with respect to Minimum Eligibility Criteria and also quoted the highest bid value. Detailed are at "Annex-B".

Further, M/s RASTEX Technologies has quoted the total bid price as Rs.2,412,211/- including extended warranty. However, there is an error found in arithmetic calculation by the bidder while totaling the bid price. Therefore, as per provision in Tender document/ RFP at Clause# 34.3(b), the total bid price is recalculated which turns out as Rs. 2,356,029/-

Recommendation:

The procurement committee recommends that the tender for LOT #2: 3D Printer may be awarded to M/s RASTEX technologies being the lowest evaluated bidder.
