Dr. Sikander Rafiq	Organizing Committee Member
Dr. Bilal Haider	Organizing Committee Member
Amnah Yousaf	Organizing Committee Member

Conference PROGRAM

CONFERENCE VENUE

Pak-Austria Fachhochschule: Institute of Applied Sciences and Technology,

Mang, Khanpur Road, Haripur-KPK, Pakistan

Email: pakmembrane@gmail.com

LANGUAGE

The official conference language is English.

No translation service will be provided.

COVID PROTECTION PROTOCOLS

All participants must be vaccinated and must bring vaccination certificate.

INTERNET ACCESS

Internet Service is available inside conference rooms.

PROGRAM

The technical program includes plenary lectures, presentation sessions with mentors and an IDEA Workshop.

ORAL/POSTER PRESENTATIONS

Presentations are scheduled for 04 minutes of presentation followed by group discussion. All student participants are encouraged to prepare presentation as per the shared template.

All presentations should be in PowerPoint as per the template. A laptop and LCD projector will be available in all sessions. Each presenter is requested to email the presentation by/before October 15, 2021 to pakmembrane@gmail.com.

Since we have a very tight and fully packed program, we request all the delegates to be punctual and respect the allocated timeslots.

In case of absence of some presenter, next presenter shall be called for presentation.

Thursday, October 21, 2021

8:30 – 9:30	Welcome
09:30 – 10:00	Inauguration/ Opening Ceremony 09:30 Welcome Address by the President Pakistan Membrane Society 09:40 Inaugural Address by the Conference Chair 09:45 Address by the Guest of Honor (DG PASTIC) 09:50 Address by the Patron-in-Chief (Rector PAF-IAST)
10:00 – 10:30	Coffee/Tea Break
10:30 – 11:15	Emerging Membrane Processes (Plenary Talk) Dr. Sandra Kentish University of the Melbourne, Australia
11:15 – 13:00	Technical Presentation Session Objective: To provide an opportunity to learn from participants from diverse backgrounds and experts Description: All participants will be divided in several groups with 1-2 mentors assigned to each group.
