Tender for Supply of Research Lab Equipment:
Ref. No. PAF: IAST-RLE-ITB-111-21

**Lot #:06. Fourier Transform Infrared Spectroscope (FTIR)
 Eligibility:**

Sr.No.	Name of Firm/bidder	Eligibility	Remarks
1.	Prime Scientific	Eligible	
2.	AMS	Eligible	
3.	Technology Links	Eligible	
4.	Kanstec International	Eligible	

Qualification:

Sr.No.	Name of Firm/bidder	Qualification	Remarks
1.	Prime Scientific	Qualified	
2.	AMS	Qualified	
3.	Technology Links	Qualified	
4.	Kanstec International	Qualified	

Technical Specification Criteria:

Sr.No.	Name of Firm/bidder	Technical Specification
1.	Prime Scientific	Meets technical specifications
2.	AMS	Does not meet technical specifications
3.	Technology Links	Meets technical specifications
4.	Kanstec International	Meets technical specifications

In response to the tender for *supply of research lab equipment (Ref. PAF: IAST-RLE-ITB-111-21)*, total 04 (four) bids were received and evaluated. All four bidders were found eligible and further evaluated for the qualification.

In qualification, again all four bidders were found responsive and evaluated technically. It was further revealed that the quoted equipment (Spectrum 3 MIR plus performance pack) by AMS was not meeting the satisfactory criteria of technical specifications. It is therefore recommended that the financial offers of *Prime Scientific, Technology Links and Kanstec International* may be opened for financial evaluations.

It is therefore recommended that the financial offers of the said three (03) bidders (Prime Scientific, Technology Links and Kanstec International) may be opened.
