1.	Rohde & Schwarz Ltd.	Not checked
2.	Telec Electronics and Machinery Ltd.	Not checked

Three (03) bids received in response to Lot # 10 (Electrical Circuits) of Tender for Supply of Electrical Engineering Lab Equipment were evaluated. All bidders i.e. Delta Plus, EduLab, and Rastek Technologies were found ineligible according to basic eligibility criteria of Tender document. Delta Plus and EduLab were found not meeting the basic eligibility criteria due to Financial Strength is less than the required strength, whereas, Rastek Technologies is found ineligible due to lack of authorization letter by EES. Neither of the bidders could secure the minimum qualification score (70%).

It is therefore recommended that the said lot be retendered.
