

**Tender for Supply of Electrical Engineering Lab Equipment”  
No. PAF: IAST-RLE-ME-ITB-112-21 opened on 16-05-2022**

**Lot #:3. Electric Power Systems**

**Eligibility:**

S. No.	Name of Firm/bidder	Eligibility	Remarks
1.	Edulab Systems	Eligible	
2.	Rastek Technologies	Eligible	
3.	Electrical Engineering Services	Not eligible	Non- blacklisting certificated not provided.

**Qualification:**

S. No:	Name of Firm/bidder	Qualification	Remarks
1.	Rastek Technologies	Qualified	
2.	Edulab Systems	Qualified	

**Technical Specification Criteria:**

S. No:	Name of Firm/bidder	Technical Specification
1.	Rastek Technologies	Meets technical specifications
2.	Edulab Systems	Could not technical specification because 3Φ Motor <1K, DC Motor<1K, DC measurement<10A, No THD measurement, Transmission line feeding Tx <380KV, Transmission line module 110Km not quoted, Petersen Coil not quoted, no details of Energy Management system is provided.

Three (03) bids received in response to Tender for Lot 3: Power Systems were evaluated. Two bidder Rastek Technologies and Edulab Systems found eligible and secured minimum qualification (70%). One bidder Electrical Engineering Services was found ineligible due to lack of non-blacklisting certificate.

Edulab Systems did not meet the tendered specifications.

Only Rastek Technologies were found to meet the technical specifications as per tender.

***It is therefore recommended that the financial offers of the said bidders may be opened.***
