

**Tender for Supply of Electrical Engineering lab Equipment”  
No. PAF: IAST-RLE-ME-ITB-112-21 opened on 16-05-2022**

**Lot #:6. Communication**

**Eligibility:**

S.No.	Name of Firm/bidder	Eligibility	Remarks
1.	Rastek Technologies	Eligible	However, Principal authorization provided for National Instruments is of DAT Dubai. The bidder was requested to provide; however, no response has been received.

**Qualification:**

S.No:	Name of Firm/bidder	Qualification	Remarks
1.	Rastek Technologies	Not Qualified	50 marks obtained out of 100. Some missing information was requested; however, no response has been received

**Technical Specification Criteria:**

S.No:	Name of Firm/bidder	Technical Specification
1.	Rastek Technologies	Not opened

One (01) bid received in response to **lot 6 Communication Lab Equipment** was evaluated. The bidder i.e., Rastek Technologies, was found eligible according to basic eligibility criteria of Tender document, however, the principal authorization provided was of Digital Automation Technology (DAT) Dubai instead of manufacturer of quoted items National Instruments (NI). In this matter, the bidder was requested (verbally, telephonically, and through email), however, no response has been received.

The bidder i.e. Rastek Technologies fails to meet the minimum qualification (70%). The bidder obtained 50 marks out of 100. In this matter, a few missing documents were requested from the bidder (verbally, telephonically, and through email) however, no response has been received.

**Recommendation:**

It is therefore recommended that the financial offers of the said bidder may not be opened.
