Sign in

Step 6: Check on “Allow my organization to manage my device” and then OK.

Step 7: Click on Continue if you get the below screen.

Step 8: Finally, you are successfully login in Teams:

Step 9: You do not need to “Create a team” or “join with a code”. Each day we will send the meeting link in WhatsApp group, you just need to click on that link then you will be in the meeting. Make sure you are login in teams application before joining meeting.
