4. Dr. Nasir Ali, Assistant professor, PAF-IAST
5. Dr. Muhammad Afzal, Assistant professor, PAF-IAST
6. Dr. Syeda Sana Ali Shah Assistant professor, PAF-IAST

The Agenda of the meeting was to review and finalization of scores awarded to the participating bidders based on the Bid proposals and in accordance with Section 4: Technical Evaluation Criteria of the Tender document/ RFP and award the scores against the presentations from the participating bidders for which the presentations were scheduled separately for each bidder on the same day.

The meeting started with the name of Allah Almighty. The committee was briefed that in response to the said tender for which Bids were opened on Thursday the June 5, 2025, ten (3) bidders (as listed below) submitted their Bid Proposals. Since the said Tender was advertised based on KPPRA Rule 6(2)(b) "Single Stage, Two Envelope Procedure", therefore only Technical Bids were opened. The following bidders participated.

1. Zafa traders and general order supplier
2. Biochemica International
3. Worldwide Scientific

The committee reviewed Bid Proposals of the participating bidders as per Technical Evaluation Criteria defined in RFP. The Technical Evaluation Criteria comprised of five (05) sections, including the Presentation on the proposed equipment. Representatives of participating bidders joined their respective sessions for presentation individually.

After going through with the Bid Proposals, the presentations from the participating Bidders, and the clarification sought from the Bidders during the presentation sessions, following is the assessment of the committee against each of the participating Bidders.

Recommendations:

As per the Technical Evaluation Criteria defined in the Tender document/ RFP, and as stipulated therein the Technical qualification was to be evaluated on Score basis (i.e. Bidder will be required to secure at least 70 percent to qualify). Therefore, based on an assessment of Technical Committee, Biochemica International and Worldwide scientific are declared Qualified Bidder on Technical basis; whereas nobal trading are declared as Not Qualified as their products letter of authorization from company is not submitted in the bid. The meeting/ session ended with thanks. It is therefore recommended that the financial offer of Biochemica International and worldwide scientific may be opened.
